SUPPLEMENT TO CHAPTER 13 PLAN & MOTIONS

3. SECURED CLAIMS.

1. Proof of Claim, Supporting Information, Additional Statements

- (a) Itemized Statement of Interest Fees and Expenses. If, in addition to its principal amount, a claim includes interest, fees, expenses or other charges incurred prior to the date of the petition, an itemization of the interest, fees, expenses, or charges shall be filed with the proof of claim. The claim may also include charges pursuant to D.N.J. LBR 2016-1(j)(3).
- **(b) Statement of Cure Amount**. If a security interest is claimed in property of the debtor, the proof of claim shall include a statement of the amount necessary to cure any default as of the date of the petition and any charges pursuant to D.N.J. LBR 2016-1(j)(3).
- **(c) Escrow Account.** If a security interest is claimed in property that is the debtor's principal residence and an escrow account has been established in connection with the claim, the proof of claim shall be accompanied by an escrow account statement prepared as of the date of the filing of the petition, in a form consistent with applicable nonbankruptcy law.
- (d) Failure to Provide Supporting Information. If the holder of a claim fails to provide the information required in subdivisions (a), (b) and (c) above, the holder is precluded from presenting that information, in any form, as evidence in any hearing or submission in this case, or otherwise, unless the failure was substantially justified or is harmless. In addition to or instead of this sanction, the court, after notice and hearing, may award other appropriate relief, including reasonable expenses and attorney's fees caused by the failure.

2. Notice Relating to Claims Secured by Security Interest in the Debtor's Principal Residence

(a) Notice of Payment Changes. If a claim provided for under the debtor's plan is secured by a security interest in the debtor's principal residence, the holder of such claim shall file and serve on the debtor, debtor's counsel, and the Trustee notice of any change in the payment amount, including changes that result from interest rate and escrow account adjustments, at least 30 days before a payment at a new amount is due. If a creditor has a claim that is secured by real property and is based on an open-ended credit agreement, such as a home equity line of credit (heloc) or other loan type that may have frequent interest or payment adjustments that makes compliance with the notice of payment change impracticable or burdensome, the secured creditor shall provide notice of the loan type with its proof of claim Upon filing of said notice the claimant's compliance with the notice of payment change requirements is vacated for the duration of the case.

- **(b) Form and Content.** The Local Form designated as *Notice of Payment Change* may be filed and served.
- (c) Notice of Fees, Expenses and Charges. If a claim provided for under the debtor's plan is secured by a security interest in the debtor's principal residence, the holder of such claim shall file and serve on the debtor, debtor's counsel, and the Trustee a notice containing an itemization of all fees, expenses, or charges, except charges approved and ordered by the court, incurred in connection with the claim after the filing of the bankruptcy case that the holder asserts are recoverable against the debtor or against the debtor's principal residence. The notice shall be filed and sent within 180 days after the date when such fees, expenses, or charges are incurred. On objection of the debtor or Trustee filed no later than 180 days after service of the notice given pursuant to this subdivision, after notice and hearing, the court shall determine whether such fees, expenses, or charges are required by the underlying agreement and applicable nonbankruptcy law for the curing of the default or the maintenance of payments in accordance with § 1322(b)(5) of the Code. The Local Form designated as Notice of Fees, Expenses and Charges shall be filed and served.
- (d) Response to Notice of Fees, Expenses and Charges. If the debtor does not object to the Notice of Fees, Expenses and Charges, or if the debtor's objection is overruled, the debtor shall either 1) pay all post petition amounts included in the Notice of Fees, Expenses and Charges; 2) enter into an agreed order allowing the claim (to be paid by the Trustee); or 3) take no action and the amounts claimed shall be deemed allowed, but will not be paid by the Trustee nor be discharged upon closure or conversion of the case.
- (e) Application of Payments. The holder of a claim secured by a security interest in the debtor's principal residence shall apply payments from the Trustee to arrears being cured and payments from the debtor to maintain post-petition monthly payments.
- **(f) Notice of Final Cure Payment.** Within 45 days of making the final payment of any cure amount made on a claim secured by a security interest in the debtor's principal residence, the Trustee in a chapter 13 case shall file and serve upon the holder of the claim, the debtor, and debtor's counsel a notice stating that the amount required to cure the default and/or approved post petition payments due to be paid through the chapter 13 plan has been paid in full.
- (g) Response to Notice of Final Cure Payment. Within 60 days of the date of the notice of final cure payment given pursuant to subdivision (f) above, the holder of a claim secured by a security interest in the debtor's principal residence shall file and serve a statement indicating (1) whether it agrees that the debtor has paid in full the amount required by the underlying agreement and applicable nonbankruptcy law

for the curing of the default and (2) whether, consistent with § 1322(b)(5) of the Code the debtor is otherwise current on all payments. If applicable, the statement shall contain an itemization of any required cure or postpetition amounts that the holder contends remain unpaid in connection with the security interest as of the date of the statement.

- (h) Objection and Hearing. On objection of the debtor or Trustee filed no later than 21 days after the date of the statement given pursuant to subdivision (g) above, after notice and hearing, the court shall determine if the debtor has cured the default and paid in full all postpetition amounts required by the underlying agreement and applicable nonbankruptcy law in connection with the security interest.
- (i) Order Deeming Mortgage Current. If the holder of the secured claim fails to respond to the Trustee's Notice of Final Cure Payment given pursuant to subdivision (f) above, the debtor may submit and serve an order deeming the mortgage current. All parties served with such an order shall have 5 days to file and serve an objection. A hearing may be conducted on the objection in the Court's discretion.
- (j) Failure to Notify. In addition to the relief accorded pursuant to subdivision (i) above, if the holder of a claim secured by a security interest in the debtor's principal residence fails to provide information required by subdivision (a), (c), or (g) above, the holder is precluded from presenting or relying on that information, in any form, as evidence in any hearing or submission in this case, or otherwise, unless the failure was substantially justified or is harmless.
